

Dr. Shoop's RHEUMATIC CURE COST NOTHING IF IT FAILS.

Our rule is to treat all patients alike—giving the small customer and the large the same courteous service. If you want a 50c safe deposit box or a large or small insurance policy, or a surety bond of any sort or size, we'll serve you gladly. Henry Waterhouse Trust Company, Ltd., corner Fort and Merchant Sts.

Any honest person who suffers from Rheumatism is welcome to this offer. I am a specialist in Rheumatism, and have treated more cases than any other physician, I think. For 16 years I made 2,000 experiments with different drugs, testing all known remedies while searching the world for something better. Nine years ago I found a costly chemical in Germany, which with my previous discoveries, gives me a certain cure.

I don't mean that it can turn bony joints into flesh again; but it can cure the disease at any stage, completely and forever. I have done it fully 100,000 times.

I know this so well that I will furnish my remedy on trial. Simply write me a postal for my book on Rheumatism, and I will mail you an order on your druggist for six bottles of Dr. Shoop's Rheumatic Cure. Take it for a month at my risk. If it succeeds, the cost is only \$5.50. If it fails, I will pay the druggist myself—and your more word shall decide it.

I mean that exactly. If you say the results are not what I claim, I don't expect a penny from you.

I have no samples. Any mere sample that can affect chronic Rheumatism must be drugged to the verge of danger. I use no such drugs, and it is folly to take them. You must get the disease out of the blood.

My remedy does that even in the most difficult, obstinate cases. It has cured the oldest cases that I ever met. And in all my experience—in all my 2,000 tests—I never found another remedy that would cure one chronic case in ten.

Write me and I will send you the order. Try my remedy for a month, as it can't harm you, anyway. If it fails it is free.

Address Dr. Shoop, Box 231, Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. At all druggists.

Great Preparations For Football Games

Great preparations are being made for the big football games on the afternoon of Christmas day and from the indications there will be a record-breaking attendance at the ball park.

The first game will be at 2 o'clock between the H. A. C. and the strongest aggregation the warships can possibly muster. The town boys will line up just as they did in the game against the Panahons on Saturday last.

The warship men have been in practice for some time past and while in Japan games were frequently played. Practice is being indulged in daily under the instructions of officers who have played on the scrappy Annapolis team in hard fought contests against West Point.

The second game will start at 3:30 o'clock and will be between the Panahons and another strong team from the warships.

Admission to the general public will be twenty-five cents and seats will be reserved for those who desire them. The grounds will be thoroughly wet down so that the thousands of spectators expected will not be troubled by flying dust. Men from the warships, wearing uniforms, will be admitted free of charge, this being the arrangement agreed upon at the preliminary meeting held at the naval station. All others will have to pay the regular admission fee.

The boys of the navy are taking a great deal of interest in the coming football contests. They believe firmly that their men will win. They are just fresh from the football field of battle, are in the very best of condition and are under the best coaching it is possible to secure.

A WHEEL DISHED.

The Kamehameha Girls' School survey was badly used up on Fort street this morning out side of the McInerney shoe store. Miss Kahana was driving and two teachers of the school were in the back seat. An attempt was made to drive across the street to the shoe store. One of the wheels caught in a deep track, there was a wrench, a squeal or two and then the carriage settled, one wheel being disshed. The horse was a calm one and although excitement prevailed on every hand, the animal stood like a perfect Stoic and would not budge. The ladies alighted, willing hands unharnessed the horse and the carriage was left at the curb for the multitude to gaze upon. It was later removed to the carriage shop.

The High School and Crescent teams played a game of indoor baseball in the gymnasium of the Y. M. C. A. last night which was won by the latter, the score being 15 to 12. The Diamond Heads and Iolani now stand at the head of the list with three games played and three won. The Panahons are at the bottom with all three lost.

Governor and Mrs. Carter will entertain at a box party to be given at the Neill performance in the Opera House this evening.
